

#### 4) Application process to collaborate between existing MATURA partners and external data/samples

Discussion with relevant Work Stream lead, Biostats team to ensure no duplication

Approval for access via external study source initially

MATURA application form – submitted to Work Stream leads

Once approved – submit to PSG1 and/or PSG2 (via email or prior to quarterly meeting, majority approval or minimum quorum of 50% required to vote)

MTA if samples/data being transferred

Once approved – circulated to CMB for ratification
